ADDENDUM #1: April 24, 2019

Project Title: Request For Expressions of Interest (RFEI) – Glen Cove Ferry Terminal Facilities - Complementary Uses

This Addendum #1 is to amend the following:

1. Submission deadline for the RFEI for the Glen Cove Ferry Terminal Facilities/Complementary Uses has been extended from April 22, 2019 to ongoing/continuous. RFEI should be sent to:

Maureen Basdavanos, Deputy Mayor
City of Glen Cove
City Hall – 9 Glen St.
Glen Cove, NY 11542
mbasdavanos@cityofglencoveny.org

2. The following questions were received and responses noted below:

Q1) What is the electrical power capability at the Ferry Terminal?

A1) There is currently 100 amps at the Ferry Terminal. If responders require additional amps, they need to communicate such in the response to the RFEI.

Q2) Is there sanitary pump out available at the Ferry Terminal?

A2) There is currently no accommodations for sanitary pump out. At this time, the City is not making a capital investment for a sanitary pump out station. Interested responders would need to make alternate arrangements to accommodate their sanitary pump out needs.
